

### **AIB Rating**

**MRS Baking has received a rating of “Superior” from the American Institute of Baking (AIB) during its recent Food Safety Audit. The audit, which is conducted by specially-trained food safety auditors, analyzed all aspects of the company’s food safety practices – and awarded MRS Baking a prestigious Superior rating based on the company’s outstanding programs/practices in place**

### **MRS Food Allergen Alert**

**Be advised many people are allergic to certain food ingredients. Of the eight food ingredients that are mostly focused on by the FDA five are in some of the products we sell.**

- **Milk**
- **Eggs**
- **Wheat**
- **Tree nuts (hazelnut, walnut, almond, etc.)**
- **Legumes (particularly peanuts and soy beans)**

**For some people their allergic reactions may be very serious, even fatal. All the calls about ingredients are taken very seriously. If you have a question or would like to have an ingredients list for any of our products, please call 718.460.1267.**

### **Food Safety**

**At MRS Baking Distribution, we’re committed to the highest level of food safety when it comes to our product lines. We adhere to all current food safety guidelines and regulations, and have made food safety a continuing top priority. When you order from MRS Baking Distribution, therefore, you get the guarantee that not only will your order be on-time, competitively priced, and exactly what you need.... but you’ll have the guarantee that all orders will carry the assurance of safety that comes from working with MRS Baking Distribution.**

### **Annual GMP Training**

**GMP training program is conducted annually at minimum, which includes but is not limited to:**

- **Food safety**
- **Warehouse security**
- **Food handling**
- **Pest control**
- **Warehouse maintenance**

**Training is conducted by Greg Perosi.**
